

Emerging Preferred Option

Public Participation Day

10<sup>th</sup> of December 2025

## Feedback Questionnaire

This questionnaire has been prepared to gather feedback from attendees of the Public Participation Day, and any other respondents during this period of public consultation. We appreciate the time you take to complete it.

To ensure your input is fully considered, please return this questionnaire to a member of the project team.

If responding after the event, please refer to the instructions at the end of this questionnaire.

Getting in contact with you again could be very useful to the project team for the following reasons.

1. Notifying you of future consultation opportunities
2. Clarifying information you have already provided to the project team and obtaining further inputs
3. Discussing future works and options

By providing your contact details in the box below, you will need to understand and agree to the following:

Your details will be collected by Egis - JBA Consulting Engineers and Scientists Ltd JV on behalf of Cork County Council to aid the development of the flood relief scheme for Bantry.

The details will only be used by Egis - JBA Consulting Engineers and Scientists Ltd JV and/or Cork County Council for the purposes of contacting you in relation to the scheme, which may include some or all the items numbered 1 to 3 above.

Your details will be processed in compliance with the EU General Data Protection Regulation (GDPR)

Your details will be securely kept on file for the duration of the project and will be securely deleted on completion of the Project.

Your details will not be shared with any party other than Cork County Council and OPW.

Should you wish to opt out at any time, please let us know by **post or email**. Our contact details are on the next page.

Freedom of information.

Any information provided will be subject to the provisions of the Freedom of Information Act. Personal information will be subject to the provisions of the Data Protection Acts and will not be disclosed.
