

Emerging Options Public Participation Day

30<sup>th</sup> May 2024

## Feedback Questionnaire

This questionnaire is provided to gather feedback from attendees of the Public Participation Day and any other respondents during this period of public consultation. We thank you for spending the time completing it.

To ensure we can take full account of your input, please return this questionnaire to a member of the project team.

If responding after the event, please see details at end of this questionnaire.

Getting in contact with you again could be very useful to the project team for the following reasons.

1. Notifying you of future consultation opportunities
2. Clarifying information you have already provided to the project team and obtaining further inputs
3. Discussing future works and options

By providing your contact details in the box below, you will need to understand and agree to the following:

Your details will be collected by JBA Consulting Engineers and Scientists Ltd, JB Barry and Partners JV on behalf of Cork County Council to aid the development of the flood relief scheme for Bantry.

The details will only be used JBA Consulting Engineers and Scientists Limited, JB Barry and Partners JV and /or Cork County Council for the purposes of contacting you in relation to the scheme, which may include some or all the items numbered 1 to 3 above.

Your details will be processed in compliance with the EU General Data Protection Regulation (GDPR)

Your details will be securely kept on file for the duration of the project and will be securely deleted on completion of the Project.

Your details will not be shared with any party other than Cork County Council and OPW.

Should you wish to opt out at any time, please let us know by **post or email**. Our contact details are on the next page.

Freedom of information.

Any information provided will be subject to the provisions of the Freedom of Information Act. Personal information will be subject to the provisions of the Data Protection Acts and will not be disclosed.

1. Your details

Name	
Address	
Email	
Phone number

Location	Yes ✓	No ✘
<b>Ardnageehy Beg</b>		
3A: New embankment	<input type="checkbox"/>	<input type="checkbox"/>
3B: New culvert and ground raising	<input type="checkbox"/>	<input type="checkbox"/>

7. Having participated in this public participation event, do you have any comments or observations on the proposed measures that you would like the project team to consider?

For example, with regards to environmental, community/social, visual, heritage and archaeological matters:

8. The following are some of the topics of feedback received at the Opening Public Participation Day (May 2022). Do you think these topics have been adequately considered in the potential measures presented?

Topic		Please explain why.
The scheme must not be detrimental to functioning of Bantry Town	<input type="checkbox"/> Yes <input type="checkbox"/> No	
Nature based solutions outside of Bantry Town should be considered for managing flows in the catchment before flood water can enter the town.	<input type="checkbox"/> Yes <input type="checkbox"/> No	
Local knowledge and the community should be involved throughout the project	<input type="checkbox"/> Yes <input type="checkbox"/> No	
Do you have any other comment on how previous feedback has been addressed?		

9. Has the level of information provided at this participation event for the preferred scheme sufficiently detailed for you to understand the project ? *(please tick appropriate box)*

The level of information provided was clear and sufficiently detailed for me to understand the project.	<input type="checkbox"/> Yes <input type="checkbox"/> No
The level of detail provided met expectations & my questions were addressed by the project team.	<input type="checkbox"/> Yes <input type="checkbox"/> No
I need more information (please clarify)	

10. Contact details for the project team are at the end of this questionnaire. Let us know how you would like us to keep you informed about the project as it develops?

- Email
- Post
- Website
- Phone
- Social Media (Facebook)
- Other (please describe)
